PROVIDING MEDIA FILES FOR TESTING PRIOR TO THE SERVICE

We require your Photo Tributes, Music and any other Media at least 48 business hours prior to the service. We also prefer that you send the files to us electronically via www.WeTransfer.com (See information below).

To test Media in person, please call our office and ask to be transferred to our Concierge Team Ph: **(02) 4471 5867**. Please note: Testing can only occur when both a Chapel & Concierge are available at the appointment time. **Testing Hours: 8.30am - 3.30pm (Mon - Fri).**

SENDING MEDIA FILES ELECTRONICALLY

We recommend www.WeTransfer.com (No account is required to send files up to 2GB in size) This is a relatively simple process by following the on-screen steps on the WeTransfer homepage.

In the message box, please include the following information:

1. **Name of the Deceased (person)**
2. **Date & Time of the Service**
3. **Your name & mobile number / any additional information**

Send to: brouleememorial@gmail.com

Please also provide instruction on exact timing of each music item - example: entrance song, reflection song, final/exit song etc. On the day of the service, please bring a backup of your media on USB.

Whilst every effort will be made to play each music and/or media item successfully on the day, occasionally unforeseen technical issues can occur resulting in the unsuccessful playing of item/s. Broulee Memorial Gardens takes no responsibility for and will not be held liable whereby media is incompatible, media was not provided within recommended timeframe, platforms being temporarily unavailable due to technical issues, any reason outside of our control, such as: network dropouts, chapel screen outage, audio visual problems and syncing issues.
